

KMEA District Choral Assessment

Lexington Christian Academy

Tuesday, March 13, 2018

District Choral Assessment is one of our most important choral events of the year and is a required, graded event for all PLD choir students. District Choral Assessment is a way to allow our ensembles and program to be evaluated in both performance and in sight-reading (process of learning music). These evaluations can be used towards the school's overall accountability. Dunbar has a tradition of excellent in their performance ratings at district assessment and to ensure we continue that success we need all students participating.
