

EKU CHORAL DAY

THURSDAY, SEPTEMBER 15, 2022

Departure from PLD – 9:15 AM

Return to PLD – 7:30 PM

EKU's annual High School Choral Day is a one-day event designed to prepare students for the Kentucky All-State Choir audition. One to two additional pieces are included to provide a variety of musical experiences. Led by EKU's choral faculty and graduate students, the event hosts over 400 students from throughout the state who come to experience a unique learning opportunity with their fellow choral musicians. The day features choir sectionals and full rehearsals alongside the EKU University Singers on the selected repertoire, culminating with a public performance featuring all Choral Day participants as well as the EKU choral ensembles. The event takes place at the EKU Center for the Arts.

In order to ensure a positive, rewarding experience for all students, participants must commit to staying for the entire day.
